# COMPASS | STUDENT MINISTRIES

WE BELIEVE THAT SIMPLY FILLING A ROOM WITH PEOPLE MEANS NOTHING IF LIVES AREN'T CHANGED. COMPASS STUDENT WORSHIP IS DESIGNED TO BE AN ENGAGING ATMOSPHERE FOR PEOPLE TO EXPERIENCE GOD IN PERSONAL WAYS. WHEN WE MEET TOGETHER AS A COMMUNITY, WE

THERE ARE 4 CORE VALUES WHICH GUIDE OUR DECISIONS FOR COMPASS STUDENT WORSHIP.

## 1) CHRIST-CENTERED

- Everything is about connecting people to Jesus Christ

## 2) CLEAR

- Each word, thought, song, prayer, and action is carefully measured and planned
- We believe that this does not eliminate spontaneity, but rather gives freedom for its expression

## 3) COMPELLING

- Though worship is always designed with God's glory foremost in mind, it is undeniably done by people.
- That's why each moment in the service is organized so that you'll feel welcomed, involved, and connected to Christ

## 4) CREATIVE & AUTHENTIC

- We always strive for growth through excellence in our music, visuals, and teaching
- TRANSPARENCY IS KEY, THOUGH.

WE'LL NEVER ERR ON THE SIDE OF PERFORMANCE, BUT RATHER ON THE SIDE OF AUTHENTIC, CLEAR COMMUNICATION AS TO HOW AND WHY WE USE ANY ACTION TO WORSHIP.

**WE BELIEVE THAT WORSHIP IS NOT SOMETHING DONE FOR US OR TO US, BUT RATHER BY US. THE ELEMENTS THAT WE USE FOR COMPASS STUDENT WORSHIP ARE:**

- 1) ENTRANCE** – Time to gather from chaos, make connections, and order thoughts prior to service beginning
- 2) WORD** – The central purpose of our meeting time is to hear, receive, and celebrate God's word. This is done through both music and sermon.
- 3) RESPONSE** – Worship is, essentially, our response to God. We respond through various actions throughout the service. The most obvious is song, but the two main responses we participate in are offering and communion. Also implied in this time is the opportunity to take a next step.
- 4) GOING OUT** – Our worship continues as God's message spurs us into action beyond the service.
